HURON HIGH SCHOOL & HURON ROWING ASSOCIATION

REGISTRATION REQUIREMENTS & GUIDELINES

Welcome to Huron Rowing; we are excited you have decided to join our rowing family! Registration is a multi-step process including separate requirements for Huron High School (HHS) and Huron Rowing Association (HRA). The following information will guide you through the registration process and hopefully answer any questions you might have.

Before we begin, please note:

- All steps of the HHS and HRA processes are vital to ensure your rower's eligibility to participate on the team and all steps are required to be completed prior to the athlete participating in any on-the-water practice.
- For liability purposes, Coaches are not permitted to allow athletes to participate unless their registration is incomplete. To ensure your athlete is eligible to practice, please follow the guidance provided below.
- If you still have questions regarding the registration process after reviewing the information below, please contact:
 - President@HuronRowing.com
