100% of the proceeds from
your sponsorship will go
toward maintenance and
improvements of our fields
and concessions that will allow
any athlete that plays on our
fields to play safely,
progressively, and
comfortably.

Your company will be
displayed not only to families
that are registered with
Capitol Park but to any
athletes and their fan base
that travel to our fields from
near and far for select ball
tournaments and field
rentals.

By becoming a sponsor,
you are supporting
young athletes,
fostering their growth
and development, and
allows more children
the opportunity to play
including low-income
families.

Demonstrating support
for community
development not only
builds trust, but often
times will translate into
long-term loyalty and the
opportunity to
strengthen your
reputation.
