

Dear TVFP Families,
We had a fun and successful Opening Day on Saturday, March 7. It was wonderful to see so many families out at the fields supporting our players, and that's what makes Tanque Verde Fastpitch a special place

We are now excited to kick off our first week of games this Friday, March 13 and Saturday, March 14. Opening weekend of games is always an exciting milestone for our players as they begin putting their practices into action and competing alongside their teammates.

We want to remind everyone of the importance of maintaining a positive and respectful environment for our athletes. Please remember to show respect to all coaches, players, and officials. Our league's Code of Conduct is in place to ensure that Tanque Verde Fastpitch remains a safe, supportive, and enjoyable experience for everyone involved. The focus of our league is always on the players, their development, and their love of the game.

Parents, don't forget to [sign up here](#) for your snack bar shifts. Once you complete two, your \$100 deposit will be refunded (just be sure to sign in when you arrive).

Thank you for being part of Tanque Verde Fastpitch. We look forward to a great opening weekend of games and an exciting season ahead!
