

Dear TVFP Families,

There is nothing quite like the energy of softball season in full swing! It was wonderful to see our players back on the dirt last week, giving it their all and showing us the results of their hard work. From big hits to great hustle in the field, the growth across all our divisions is so exciting to watch.

There is so much potential on these fields, and we can't wait to see what these athletes accomplish together in the weeks ahead!

• **Picture Day: Schedules Coming Soon**

Get those uniforms ready! Picture Day is officially scheduled for **Sunday, April 12th, starting at 11:00 AM.** We know everyone is eager to plan their Sunday morning. The specific team schedules for Picture Day will be released very soon! These photos are such a special way to celebrate the friendships built on the field, so please keep a close eye out for your team's designated time slot.

• **Building a Culture of Encouragement**

At the heart of TVFP is a simple goal: we want this league to be a place where our girls truly love to come and play. To make that happen, it is vital that every player feels excited and encouraged the moment they step into the dugout.

This starts with how we treat one another. Softball skills are important, but kindness and support are the foundation of a great team. We want to remind all our players that being a great teammate means:

- Lifting each other up after a tough play.
- Using encouraging words in the dugout and on the field.
- Celebrating each other's successes as much as your own.

This culture of respect extends beyond the fence, too. We want our families and spectators to continue being the positive voices that make our park a supportive environment. When we lead with kindness, our girls gain the confidence they need to thrive. Let's make sure every girl at the park feels like she has a whole community rooting for her!

Important Reminders

- **Snack Bar Shifts:** A huge thank you to those who have already helped out! If you haven't yet, please sign up for your shifts. Remember, after two completed shifts, your \$100 deposit is refunded. Don't forget to sign in so we can verify your attendance!
- **Code of Conduct:** Our league's Code of Conduct is in place to ensure a safe and supportive experience. Thank you for showing respect to all coaches, players, and officials.

Thank you for being such a vital part of the TVFP family. Let's keep this positive energy, and kindness going as we head into another week of softball!

**WEEK 2 GAME SCHEDULE
