

Our players have been working very hard over the past two weeks and had the chance to learn from some amazing instructors. Huge thanks to Heather for leading the pitching clinic, to Red Storm for running catching, fielding, and throwing clinics, and to Coach Amber from the University of Arizona Softball for the hitting clinic. We are lucky to have such talent helping our athletes grow.

And what we've all been gearing up for has finally arrived...

Opening Day is this Saturday, September 6th at Udall Park from 8am-1pm. Arrive early for Team

Introductions, come cheer on our teams, enjoy the raffles, and help us celebrate the start of the season!

Parents, don't forget to [sign up here](#) for your snack bar shifts. Once you complete two, your \$100 deposit will be refunded (just be sure to sign in when you arrive).

As games begin, we kindly remind everyone to follow our code of conduct and show respect to players, fans, and officials. Each weekend a board member will also serve as our "Park Boss," available to help with anything you need.

And as always, you can reach us at president@tanqueverdefastpitch.com or vicepresident@tanqueverdefastpitch.com anytime. Here's to a fun and memorable season. Good luck to all our teams, and we'll see you at the fields!
