Respected Business Owner,

The Brooks Area Recreation, Inc. is a non-profit corporation that is promoting recreational activities for youth in Fayette County/Coweta County Georgia. We would like to invite your company to join in this worthwhile effort to offer youth a rewarding life experience. Your tax-deductible donation provides league teams with training equipment, supports our scholarship program, and helps fund major park improvements. Our park is not funded by any kind of county or city backing. We are an independent organization that was built to give the youth in our area a better option for competitive football and cheerleading with amazing coaches! Which is why your humble and generous contributions will give us the ability and funding to keep giving our youth a clean, safe and competitive park to play in.
