

Sponsorship Application

Frontier Youth Baseball League is a proud non-profit organization created by parents who wanted a baseball experience for their children that strives for a balance between fun, competition, and player development. We are dedicated to providing our players a fun learning experience; while teaching the fundamental physical and mental skills associated with the game of baseball, promoting respect, sportsmanship, competitiveness, and teamwork in a positive family environment.

Our league is entirely run by parent volunteers and relies on donations, sponsorships and snack bar revenues to continue operating. The sponsorship program aims to raise funds to invest in replacing or repairing our equipment, provide players with free enrichment programs and keep registration fees affordable. We are recognized by the IRS as a 501(C)(3) Charitable Organization. All donations are tax deductible.
