

Support South Beaverton Cheer!

South Beaverton Cheer is fundraising for the upcoming season! Cheerleading can be expensive, and many families in our community struggle to afford the costs. That's why we're proud to offer one of the **lowest-cost cheer programs in the state**. Our goal is to give all kids the opportunity to participate. We're reaching out to local businesses and personal sponsors to ask for your support.

We are seeking any form of monetary donations to help cover individual expenses, a safe practice space and competition fees. In addition to financial support, we also welcome in-kind donations! If you offer a service or product that ties directly into cheer, such as access to practice space, catering, printing, or equipment we would love to partner with you.
