

# COSUMNES RIVER LITTLE LEAGUE

"VOLUNTEERING IS THE ULTIMATE EXPRESSION OF COMMUNITY SPIRIT" – COLIN POWELL

**The 2026 CRLL Board of Directors is excited for the upcoming season and grateful for your willingness to volunteer and support our wonderful community.**

Little League International requires all leagues and districts in the United States to conduct an annual background check. *We will use J.D. Palatine (JDP) for these background checks. You will be sent an email AFTER you have registered as a volunteer on our website.*

The State of California requires Live Scan fingerprinting background checks for volunteers such as board members, managers and coaches. **Live Scan does not need to be repeated annually.**

**One Manager or Coach from each team must attend the in-person District 54 Safety Training annually. Details to come in early 2026.**

The following links will assist you in completing the **mandatory** trainings that are required by the district. 1-3 must be completed each calendar year, there are **no exceptions**. Last season's certificates will not be accepted, they must have a 2026 completion date.

1. Online Concussion Training, through CDC Heads Up
2. Sudden Cardiac Arrest (SCA) Prevention Training, via Eric Paredes Save a Life Foundation
3. Little League Abuse Awareness Training: this is required for ALL volunteers. *You may have to reach out to the website's support team to reset your training from last season.*
4. Little League Diamond Leader training: Access the training at <https://www.littleleague.org/diamondleader/>. **\*\*If you have already taken the Diamond Leader training, you do not need to take it again this year.\*\***

Use this [CRLL Volunteer Safety Certificate Submission Google Form](#) to turn in your certificates. Please DO NOT email the certificates.

Please direct any questions to Ashley Fields.
