 - Have Cooper through the Cooper Trust
 - Have Oakbourne through next 5 years
 - Have Cloud and Flagg for next 4 years (in 2nd year of 5 year contract); exclusive use of Cloud, share Flagg with West Side
 - Outsource to Stetson, Thornbury, Greenfield
- Questions/Comments:
 - Q. What do Revs pay? A. \$200 per team per season
 - Let new junior umpires do a few instructional games at end of season
 - Q. Are rules set through playoffs? A. For Majors, yes, CBO all 12 (or however many you have), double elimination for playoffs. For Minors, might review number of steals, etc., but otherwise set. Seeding for Majors: top 2 get a bye, bottom 4 are play-in games; still double elimination.
 - Set expectations about food in dugouts. NO GUM; NO SEEDS.
 - Q. Can we set the schedule so coaches (parents, NOT JUST DADS) don't have to choose between kids? A. Shouldn't be overlap between AAA and Majors; some between Minors and Majors. More issues between Instructional and Majors.
 - Q. What's the expectation to get all waivers returned for township fields? A. League is liable, but don't expect 100% returns.
 - Will get portable mound for Greenfield to store in shed; AAA and Minors each have one game there max.
 - Coaches will receive ice packs with uniforms
 - Will add snack bar cleanup to field day list; Tom will send out sign-up list for snack bar shifts for first game (3/30) through first week in May.
