

On behalf of the Windsor Wildcats Athletic Association (WWAA), known as Windsor Wildcats Youth Football, we would like to extend an invitation to you and your business to become a sponsor for 2026. We are entering our third year after a successful first two seasons of providing our community something to rally around and it's dependent on individuals and businesses to ensure its success. WWAA is a volunteer run 501(c)(3) non-profit public charity whose mission is to:

- Provide youth living in Windsor and the surrounding communities with a safe competitive environment.
- Bring our youth closer together through common interest in sportsmanship and competition.
- Develop individual skills and help youth achieve their goals, on and off the field.
- Teach teamwork, discipline, and love of the game.

Businesses and community members like you are critical to helping our organization operate and provide the experience the youth in our community deserve. This is your chance to make a HUGE impact on the kids who call Windsor, and the surrounding area, home. Sponsorships and donations will help us budget for expenses throughout the year to include:

- Protective equipment (helmets, shoulder pads, etc.)
- Team practice equipment (tackling dummies, cheer mats, etc.)
- Uniforms (practice, game, and cheer)
- Field and facility maintenance (field chalk, lighting, etc.)
- Registration fee assistance (low-income families)
- League and official fees
- Administrative costs

We thank you for your generous support.

Sincerely,

Jeremy King
President
