

Boundary as of 12/14/2025

- Due to increased interest in Hamel Baseball, for our spring season which runs from late April through the end of June, all players registering to play T-Ball, Coach Pitch, Rookie, Minors or Majors, must reside or attend a school within the below boundary. If you do not meet those requirements, you can still register but will be placed on the waiting list and will only be added to a team if space is determined to be available.
- Any player aged 9-12 whose primary residence or school is within this boundary or has continuously played in Hamel Little League since they were age 7 (prior to 2026) is eligible for All-Stars in Hamel Little League (should they be nominated and accept the nomination).
- For our Summer/Fall season which usually starts mid-July and runs through the end of August, there is no residency or school boundary requirement and players from any location are welcome to participate.
