SEASON INFORMATION

Tryouts (Player Assessments)

Baseball & Softball Player Tryout(Assessments) are for players that are league age 8-16. Tryouts are a great opportunity for managers to evaluate players that are going to or in Minors, Majors, Junior and Senior Divisions. **Players need to attend at least 50% of the scheduled tryouts (assessments).**

During Tryouts players will be evaluated on their ability to listen and follow directions. There will be drills that will help the managers assess the player's ability to field, track and hit a ball. **Please arrive on time, so the player can check in and be warmed up prior to tryouts.**

Any returning Major Division player will return to their previous Major Division team. They will not be able tryout. If they do not want to return to the same team, please contact our Player Agent prior to February 9, 2026.
