Dear Community Partner,

On behalf of **Coral Springs American Little League (CSA)**, we invite you to become a valued sponsor of our youth baseball program. CSA has been part of the Coral Springs community for decades, offering children from ages 4 to 16 a safe, positive environment to learn teamwork, discipline, and sportsmanship through the great game of baseball.

Your sponsorship helps us provide uniforms, equipment and training opportunities for hundreds of local players each year. As a **not-for-profit organization**, we rely on community support to keep registration costs low and ensure that every child who wants to play can do so.

In appreciation for your generosity, sponsors are recognized at our events, on our website and social media, or with professional banners displayed prominently at [Mullins Park](#), visible to hundreds of local families, athletes, and visitors who attend baseball, basketball, soccer, and other community events, as well as our hosted travel teams. Banners go up at the start of the season and remain on display for **6 to 12 months**, depending on sponsorship level.

By partnering with CSA, your business not only supports local youth development but also gains valuable exposure to thousands of Coral Springs residents throughout the season.

We would be honored to feature your company as a supporter of our league. Please review the attached sponsorship form for opportunities to participate. Your contribution, whether monetary or in-kind, makes a direct and lasting impact.

Thank you for helping us keep the spirit of Little League baseball alive in our community!

With gratitude,

Coral Springs American Little League Board of Directors
