## PEAK FOOTBALL CLUB SUPPORTER OPPORTUNITIES 2026

### Who is Peak FC?

Peak FC is passionate, growing youth soccer club based right here in the Four Corners region, and we'd love the opportunity to team up with you. **Peak FC is a registered 501(c)(3) nonprofit organization.**

Founded in 2024, Peak FC was formed with a bold and inclusive vision: create a competitive, character-focused youth soccer program that's affordable and accessible to every family, no matter their financial situation. In our very first season, we launched four teams (U9-U18) and hit the ground running. Our teams competed in leagues and tournaments across Colorado, New Mexico, and Arizona.

### What sets us apart?

Peak FC is 100% community-based. Our directors, board members, and volunteers and board generously donate their time. Our players come from Durango, Bayfield, Ignacio, Cortez, and Pagosa Springs. Our club is not associated with any larger organizations. We're proud to be homegrown.

### What does Peak FC believe?

We believe soccer is more than just a game. It's a tool for teaching our youth:

- Growth mindset – we focus on development, not just wins.
- Respect – on and off the field, we represent our community with pride.
- Integrity – we lead with honesty and hustle.
- Dignity & grace – win or lose, we learn, grow, and support each other.

Now, we're looking for awesome local partners to help us keep this dream growing. That's where you come in. Please reference the attached supporter/sponsorship opportunities.

Your support means more than a logo, it's a direct investment in local kids, their futures, and a stronger, more connected community. We'd be proud to promote your business as Peak FC supporter.

We'd like to talk with you to find the right supporter level for you, and answer any questions you may have. Thanks so much for considering joining the Peak FC family.

With gratitude and team spirit,
