Since 1964, Rosemont Little League has proudly served the community by enriching the lives of local children and their families. Our program promotes discipline, teamwork, physical well-being, courage, and character—all while enjoying the timeless game of baseball.

Rosemont Little League is a 501(c)(3) nonprofit organization operated entirely by dedicated volunteers. We rely heavily on the generosity of local businesses and community sponsors to help cover the essential costs of running our league. This includes not only uniforms and equipment, but also field maintenance, facility improvements, and more.

Your sponsorship or donation directly supports ongoing needs such as:

- Maintenance of our five baseball fields (*e.g., replacement dirt, weed control, machine maintenance*)
- Snack bar operation (*e.g., HVAC, utilities, waste services, food purchases, etc.*)
- Tools and equipment required for field upkeep
- Baseballs for the season (*an annual cost of approximately \$2,500*)
- Insurance and fees paid to Little League Baseball, Inc.
- Uniforms and gear for players who may not have their own

One of our proudest commitments is keeping registration fees low, ensuring that as many children as possible—ages 4 through 13—can participate each year. This is only possible through the support of generous partners like you.

In return for your support, we offer various sponsorship opportunities that provide excellent visibility for your business within the community. We also welcome donations of products, services, or gift cards, which are raffled at league events to help raise additional funds.

Every contribution, big or small, makes a meaningful difference. Your partnership helps us continue to build a positive, inclusive, and impactful program for the youth of Rosemont.

Thank you for considering a contribution to Rosemont Little League. Please don't hesitate to reach out with any questions—I'd be happy to connect further.

Sincerely,

Rosemont Little League, Inc.
