Registration

Early Bird registration ends 1/15/26. Currently 249 registered, which is slightly below last year. Concern about managers based on volunteer signups so far.

Discussion of modifying the divisions at 9-12 age group depending on registration numbers to increase competitiveness and felt 10 teams in one division was too many.

Concessions

Sponsorships

Keith has letters for sponsorship renewals ready and will be sending out emails this week. If anyone has new sponsors, let Keith know. It was agreed to give Your Handyman free sign as he has done significant work on cages for low cost and same for Town Pub for letting the Board use their room for meetings and the draft.

Equipment & Uniforms

Jim W. placed order with Lefty's for balls and equipment. Coaches bags will be handed out to 9-13 coaches at evaluations. Jim W. to look into other uniform vendors or same as last year and start process.

Safety
