

# Player Evaluation Schedule

## 2026 Spring Baseball Season

**NOTICE: You may disregard the Player Evaluation Schedule if your child is League Age 4-9 and enrolled in T-Ball, Minor A, or Minor AA divisions. No evaluations are scheduled for T-Ball, Minor A, or Minor AA divisions.**

### GENERAL EVALUATION INFORMATION

- EVALUATION TIME ASSIGNMENTS – Players league aged 8-14 registered in Rocklin Little League’s AAA, Major, or Junior offerings will be assigned an ID number and evaluation date/time. Assignments will be posted on Rocklin Little League’s website (<http://www.rocklinlittleleague.com>).
- EVALUATION CHECK-IN TIME – Players must check in 30 minutes before their assigned time. Any player NOT assigned a specific time OR who cannot attend their assigned time must check in by the stated time for their division and league age listed below, and will be placed into the next available time slot on a first-come, first-served basis.
  - o Upon check-in, all players will be asked if they’ve pitched, caught, or both in the previous baseball seasons. The intent is to provide Managers with information to support their drafting.
- WEATHER CONDITIONS - If poor weather requires RLL to postpone evaluations, the schedule will be delayed by one week. RLL will formally communicate any changes to the schedule.

### AAA & MAJOR DIVISION EVALUATIONS

- Players league age 10-12 are required to attend one of two scheduled evaluations to be draft-eligible for the Major division. Players league age 9-10 enrolled in Minor AAA are encouraged to attend evaluations. Any player who fails to attend evaluations will be subject to a blind draft as approved by the Division Player Agent and League President.
- Players league age 8 enrolled in Minor AAA are required to attend evaluations. Any player who fails to attend evaluations will be assigned to a Minor AA team.
- Evaluation participation supports team formation and placement in the most appropriate age and ability-appropriate level. Each player will be assigned to a Minor or Major Team, where applicable.
