Call to Order at 4:30pm – Meeting led by Ian Miller

- Meeting to review the parent complaints against Matt Chuha, Manager of Single A Pirates.
- 1) Lateness and lack of organization for practices and games.
- 2) Asking unbadged parents to assist in the dugout.

Ian Miller presented the complaints from several parents that mentioned the following issues.

- Matt Chuha arrives to games late by showing up when game is about to start. Managers are required to have teams on field 30 mins prior to game when field is available. This has been reported by parents but observed by Ian Miller on several Saturday morning games.
- Matt is running practices from 5-6pm when he has 430-6pm timeslot.
- Matt did not have lineups or field rotations for games at the beginning of the season. Assistant coach took initiative to produce line ups and rotations.
- Matt has prevented several badged volunteers from working with the team, Team Mom was asking for volunteers to help and parents without badges looking to step in to help.
- Overall inability to foster a friendly atmosphere for the parents. Poor communication with volunteers that are trying to help.

Matt Chuha responded to those complaints with the following:

- He has never been late to a game.
- Matt cannot make it to practices before 5pm but assistant coaches are at the fields at 430pm to give players that want extra help the practice. Also said those coaches sometimes do drills that are too advanced for the player ages. Admits that he does not give those coaches drills to complete when he is not at the practice.

- Matt said that he didn't have lineups and rotations but an assistant did that work for him for the rest of the season.
- Explained that no unbadged volunteer in the dugout. Did not address that Britnie as Team Mom didn't turn down volunteers that said they had no badge.
- Matt repeatedly said that as Manager he had to put his foot down with volunteers that weren't following his practice ideas.

Mike Pitts left early to go Umpire a game.

Matt and Britnie were dismissed from meeting.

Meeting Break at 4:55pm for scheduled baseball games.
