## HVABSA Baseball Rules

Governed by the **NFHS Baseball Rules** (NFHS Official Rules Website), with the following exceptions:

### General Rules

Revised: January 2026

**Note:** These rules apply during seasons when HVABSA teams are **not** interlocking with other associations. If an age group participates in an interlock league, the **interlock rules** will govern all games for that season—including those between two HVABSA teams.

---

### 1. Participation:

1.1. Failure to comply with player participation rules (per age division) will result in the player starting the team's next game and receiving a minimum of **four innings in the field**.

1.2. Players may play up one age group if they are **within one year** of that age level. Exceptions require **board approval**.

1.3. No player is allowed to be on a **HVABSA Rec Division roster** while simultaneously appearing on **any other baseball roster**, in any league, at any time. Violation will result in **immediate removal** from the Rec team roster and ineligibility for all HVABSA Rec games.

1.4. In **7U–10U divisions**, no player may sit out a **second defensive inning** until all other players have sat out **at least once**.

---

### 2. Guest Playing Rules:

#### 2.1 Rec League Teams

2.1.1. If a HVABSA Rec team has fewer than 8 players, they may pick up substitutes from the preceding HVABSA age division (e.g., 14U picks up from 12U).

2.1.2. Substitute players must:

- Play only outfield positions
- Bat last in the lineup

2.1.3. No substitute may play while a league-age player is sitting on the bench.

#### 2.2. Important Notes:

- There are no exceptions to roster rules.
- Minimum 8 roster players are required to avoid forfeit.
- Teams with 6 roster players may pick up enough subs to field a full outfield.
- Select players (e.g., Storm) are not eligible to sub for Rec-level teams at any point during the same season.
  - *Seasons are defined separately (Spring and Fall).*

#### 2.3. Penalties for Use of Ineligible Players:

- **1st Offense:** One-game suspension (in-season)

- **2nd Offense:** Season-long ban
- **3rd Offense:** Permanent league ban

#### 2.4. Select (Storm) Teams:

- 2.4.1. If a Storm team has nine (9) or fewer players for a League/TEBA game, they may pick up players from the Premier or Rec division. Each Rec player may guest play no more than twice per season and may not miss a Rec game to do so. *Note: We do not recommend using Premier or Rec players as substitutes in Select Tournaments, as this could affect their eligibility to participate in All Stars Tournaments later in the season.*
- 2.4.2 "Season" includes regular season and HVABSA Rec postseason.

#### 2.5. Interlock League Games:

- 2.5.1 Teams may pick up substitutes from the same age division only if fewer than 8 players are available.
- 2.5.2 No player who has been on a Select roster during the season may participate in any interlock game.

---

### 3. **Attire & Equipment:**

- 3.1. Metal cleats are allowed only for players age 13+ at Unity Park.
- 3.2. No jewelry allowed during games, except for medical alert items.

#### 3.3. In Tee Ball and Coach Pitch:

The player in the pitcher position must wear a protective helmet with a face mask.

#### 3.4. Helmets must remain on while the ball is in play.

#### 3.5. Sunglasses

- 3.5.1. Allowed for all players.
- 3.5.2. Pitchers (10U and up) may not wear sunglasses if deemed distracting by the umpire.
- 3.5.3. Prescription glasses/sports goggles are always allowed.

#### 3.6 Catchers' Protective Equipment (NFHS Alignment)

3.6.1. Equipment - Any player assigned to the catcher position in live play, warm-ups, or bullpen activity shall wear the following equipment:

1. Head Protection – A one-piece catcher's helmet and mask meeting the NOCSAE standard at the time of manufacture.
2. Full Ear Protection – All helmets shall provide full ear coverage (dual ear flaps).
3. Throat Protector – A commercially manufactured throat protector, either integral to or securely attached to the mask, fully covering the throat area.
4. Chest Protector – A chest protector meeting the NOCSAE standard at the time of manufacture.
5. Leg Guards – Properly fitted catcher's shin guards.
6. Protective Cup – Required for all male catchers (7U and older)

### 3.6.2. Certification & Combination Use

- Catchers must use a one-piece helmet and mask (Hockey Style).
- Damaged, altered, or uncertified equipment shall not be used under any circumstances.

### 3.6.3. Enforcement & Penalty

- The umpire shall require immediate correction if the catcher's equipment is non-compliant.
- Failure to comply before the next pitch or play shall result in the player being removed from the catcher's position until proper equipment is worn.
- Persistent or willful non-compliance may result in ejection in accordance with NFHS Rule 1-5 Penalty provisions.

*Rationale: This rule ensures all catchers are protected in compliance with NFHS safety standards, reducing the risk of injury and liability.*

---

## 4. **Bats:**

4.1. All bats must meet nationally approved standards:

- USSSA 1.15 BPF
- USA Baseball standard (approved since Jan 2018)

4.2. Bats must display the appropriate certification logo. Approved logos must appear stamped on the handle.

- Post-manufacture stickers are not allowed.

4.3. NFHS uses the USA Baseball certification mark as their standard for legal bats. Any bat without the official USA Baseball logo is generally banned.

The bats listed below do **not** meet NFHS, BBCOR, NCAA, USA, Perfect Game, and/or USSSA standards and are prohibited in high school and many youth leagues including HVABSA:

-

- Demonstrate respect, sportsmanship, and support for all players, coaches, and officials.
- Avoid any unsportsmanlike conduct (e.g., taunting, profane language, arguing).
- Support youth umpires as they learn in a challenging environment.

- Umpires are authorized to remove managers, coaches, or parents who display abusive behavior, including post-game harassment of youth umpires. (*See Section 11*)

**HVABSA is a community league emphasizing recreation, development, and safety. All conduct that undermines this mission must cease immediately.**

---

## **10. Umpire Authority:**

- Decisions made by on-field umpires are final.
- Coaches shall not argue balls, strikes, or any other judgment calls.

- Any harassment of an HVA umpire before or after the game may lead to disciplinary action against the coach or parent.

#### 10.2.3. Player Safety

- Coaches must never instruct players to make physical contact with opponents.
- Phrases like "run him over," if heard by an umpire, may result in the coach's ejection.
- See [Safety Base and Force Play Slide Rule Addendum](#) on page 24-25

### 10.3. Slide/Avoid/Retreat rule:

- No head-first slides into home plate.
- Runners must slide, avoid contact, or retreat when a tag play is imminent.
- **Note:** Hurdling/leaping is not considered avoiding contact.
- **Penalty:** Runner is out if contact occurs without an attempt to slide/avoid/retreat.

---

## **11. Disciplinary Actions & Ejections:**

### 11.1 Applicability

- Coaches, parents, and players are subject to HVABSA disciplinary action regardless of whether an ejection occurs.
- Belligerent or inappropriate behavior observed by league officials may result in discipline.

## 11.2. Ejection Procedures

- Managers, Coaches, and Parents: Must leave the field and grandstand area immediately, take no further part in the game, and exit the ballpark entirely.
- Players: Must leave the field immediately and be placed under the supervision of a parent or responsible adult.
  - If no parent/adult is present, the player must remain in the dugout under coach supervision.

**Notes:** First offenses may carry more severe penalties (e.g., multi-game ban) depending on the incident. The HVABSA Executive Board will determine the exact length of suspensions. Suspensions may carry over to the following season if incidents occur late in the season. Severe first offenses may be reviewed and voted on by the full Board for appropriate penalty determination.

## 11.5. Appeals Process

- Suspended coaches or parents may submit a written appeal to the HVABSA Board.

- Penalty: Batter is out.
- Ball is dead.
- Runners return to their previous base.

15.3.5. Runners may not leave the base until the ball is hit.

15.3.6. Overthrow Rules:

- On overthrows at first base only, runners may advance one base at their own risk.
- Overthrows at other bases:
  - No restriction on advancement, but runners may not advance in an attempt to draw a throw.
  - Umpires will stop play and place runners accordingly if this occurs.

15.3.7. Play stops when the umpire calls "Time", which occurs when:

- The ball crosses a base path from an outfield throw-in, and

- The defense has control of the lead runner.

Example: A runner rounding 3rd and hesitating may not advance if the defense is in control.

15.3.8. If a runner hesitates at 3rd, they must return. If they continue without hesitation, they may attempt to score.

#### 15.4. Sliding Rules & Penalties

# Safety Base & Force-Play Slide Rule Addendum

These rules are intended to:

- Reduce unnecessary contact
- Protect players at all positions
- Promote proper fundamentals and sportsmanship

All coaches are responsible for teaching these rules and ensuring their players comply.

## 1. Double First Base (Safety Base)

To improve player safety and reduce collisions at first base, this league will utilize a **double first base** (white and colored base) on all fields where available.

### A. Initial Play at First Base

- The **batter-runner must touch the colored portion** of the double base on the initial play at first base.
- The **defensive player must touch the white portion** of the base.

If the batter-runner touches only the white portion when a colored base is available and a play is being made:

 The batter-runner shall be **declared out**.

### B. After Reaching First Base Safely

- The runner must use the **white base only** for:
  - Leading off
  - Returning to first base
  - Tag plays
  - Pickoff attempts
- The colored portion is **no longer in play** after the initial touch.

### C. Exceptions

- If a defensive player is **drawn into foul territory** while attempting to make a play, the batter-runner may use the **white base**.
  - If a double base is not available, standard first-base rules apply.
-

## 2. Force-Play Slide Rule (FPSR)

The Force-Play Slide Rule is in effect to prevent unsafe contact and interference during force plays, particularly when a double play is possible.

### A. When the Rule Applies

- On any force play at a base where the defense is attempting to record multiple outs (most commonly at second base).

### B. Runner Requirements

The runner must either:

1. **Slide legally**
  - On the ground
  - Before reaching the base
  - Within reach of the base
  - In a straight line to the base

**OR**

2. **Make a bona fide attempt to reach the base**
  - Run directly to the base
  - Without altering path to initiate contact with a fielder

### C. Illegal Actions

- Changing path to contact a fielder
- Sliding late and beyond the base
- Rolling or pop-up slides into the fielder
- Raising arms or legs to interfere with a throw
- Intentionally colliding with a fielder

### D. Penalty

If the Force-Play Slide Rule is violated:

- The **runner is out**
- The **batter-runner is also out**
- The ball becomes **dead immediately**
- No runners may advance

This results in an **automatic double play**.
