 - Reviewed Budget Report – created from P&L.
- Questions re: 2025 P&L – Shawn French
 - \$58,792 loss last year over previous year?
 - Cindy and Aaron explained that almost half of that amount of the loss (\$25,000-30,000) was due to unpaid debts to partnering cities after the 2024 All-Star Tournament. Instead of those invoices being paid during 2024, they were not discovered until communication with neighboring cities in 2025.
 - Other portions were due to new concessions equipment purchased to replace and/or repair equipment no longer working.
 - Shawn reviewed registration amounts from last year to this year.
- **FY2025 P&L** - to be discussed in detail in February after Cindy and Aaron have time to review. They will look at specific amounts creating the discrepancy.
- **Registration** - Aaron reviewed registration estimations used for the budget.
 - Shawn confirmed 483 as of today, January 8, 2026. Historical average is 750.
- **Sponsorship Form** and variety of options/levels discussed.
 - Plan to promote at next Parent Meeting to try to get more local sponsors.
- **“Operation Play Assist”** (email fundraising program) will be used this Spring by all teams/players in the League.
 - Example: Steve White’s Storm team brought in ~\$17,500 from 11 players.
 - Mike Gonzalez suggested clear fundraising messaging to be based on a booster club format. Include what it’s being used for including clinics, skills development, building the community.
- **Parents’ meeting** – prior to the March 5th monthly Board of Directors meeting. Goal is to have one parent from each team in attendance.
- Cooperstown 12U trip

- Discussion about costs and fundraising/donations/costs, etc.
- Shawn French recommended to raise HVABSA contribution amount from \$10,000 to \$12,000. (In previous years, it had been twice that.)
- Aaron agreed to recommend raising to \$12,000 plus another \$1,000 to offset umpire costs for the identified travelling Cooperstown team.
- **City of Highland Village fees** - discussed including practice fields and per head costs.
- **Coach Sherman Development Program** – costs discussed and adjusted to \$65/\$20 split per player.

Floor opened for other items to address within the FY2026 Budget:

- Sam Smith - **Recreation Baseball Equipment** – estimated ~\$3,500 per year should be added as a line item.
- Jeff Halstead - **2nd 12U team funding?** Could monies be offered to a 2nd 12U team to travel in addition to Cooperstown team?
 - Answered by Aaron - \$2,000 has already been allocated to support one Softball team’s travel tournament instead of a 2nd baseball team.
