

HVABSA UNIFORM POLICY

Highland Village Area Baseball & Softball Association

I. Purpose

This Uniform Policy establishes consistent standards for all HVABSA teams to ensure player safety, organizational branding, cost efficiency, and a unified appearance across every division of play.

II. Approved Uniform Requirements

1. All teams must wear the approved HVABSA uniform. Recreational Baseball and Softball teams are not allowed to upgrade, alter, or substitute uniforms. Storm Baseball & Softball and Premier Baseball will follow the direction of their Division Vice President or Premier Director.

2. Recreational Baseball & Softball may add last names only. First names and nicknames are prohibited for safety and privacy.

3. All Recreational Baseball and Softball uniforms must include a number on the back, the HVABSA logo on one sleeve, and either the Texas flag or American flag on the other sleeve.

4. Storm Baseball & Softball and Premier Baseball may be allowed to have alternate uniforms; however, all jerseys must clearly display the Storm insignia or Premier insignia. Team nicknames may not replace the official Storm or Premier insignia on the jersey.

III. Unauthorized Alterations

Teams altering uniforms without prior written approval will not be allowed to play until corrected. Repeat violations may result in additional action by the Executive Board.

IV. Uniform Vendor & Cost Management

The League President and Division Vice President or Director of Premier Baseball will select uniform vendors based on cost efficiency, quality, consistency, and turnaround time.

V. Sponsorship Encouragement

Coaches are encouraged to seek sponsorships to help offset uniform and equipment costs, following HVABSA sponsorship guidelines.

VI. Seasonal Uniform Usage

Uniforms ordered in the Spring are expected to be reused in the Fall. Replacement uniforms will be issued only when necessary for new players, team adjustments, or damaged items.

VII. Enforcement & Authority

The Executive Board reserves the right to interpret and enforce all uniform standards to ensure consistency, safety, and league integrity.
