

# **Bedford New Hampshire Little League**

## **2026 Season Sponsorship Packages**

Since 1957, Bedford Little League has served thousands of baseball players from Bedford and surrounding towns. While some surrounding towns have experienced declines in player participation, the BLL has remained strong and historically competes for district and state titles! In 1993, the town's team finished as the national runner-up in the Little League World Series, the New England Regional runner up in 2025, and most recently won state championships in 2012, 2015, 2016 and 2025. The town's players have gone on to become Division I NCAA baseball players, first-round Major League draft picks, and New Hampshire All-State baseball players.

Today our little league consistently serves over 600 Bedford youth across our spring, summer and fall baseball seasons, as well as hundreds of families and thousands of spectators across our entire schedule of games each year. Our fields attract other teams and organizations and play host to post-season play attracting hundreds of players, families, and fans from the surrounding towns outside of Bedford.
