Please complete the form prior to registering and allow 1-2 weeks for a reply. All information is to be sent directly to our Registrar and will be kept confidential. After you receive a reply, please return to complete registration online.

Sierra Foothills Little League is committed to providing a program that allows every child to play baseball. We desire to offer an affordable program for our players and families while maintaining the financial health and sustainability of the league.

SFLL is a nonprofit organization and is administered completely by volunteers. A limited number of scholarships are available based on the league's annual budget, community sponsorships received, and the overall number of registrations. Application for scholarship does not guarantee an award of assistance.

SFLL already provides a discount to families registering multiple children.

Please do not ask for a scholarship if you have the ability to pay.

This application is entirely confidential and will only be viewed by the scholarship application committee.

THE PROCESS: The scholarship process begins with fully completing and submitting the application below up to three players in a family. Our scholarship application committee will review your application and determine if we are able to award a scholarship and in what amount. If awarded a scholarship, you will receive a one time use coupon code to use as you complete the registration process yourself. You will need to pay any remaining balance due during the registration process online. A confirmation email will be sent to you once you have fully completed the registration process.
