

WEYMOUTH GIRLS BASKETBALL

To Whom it May Concern,

My name is Noreen Keenan and I am the President of Weymouth Girls Basketball. Our program is a non-profit organization designed solely for the purpose of providing girls in Kindergarten through 10th grade the opportunity to play basketball recreationally in the town of Weymouth. In our first year we started with 80 girls. This past season we had over 350 girls from the town of Weymouth enrolled in the program. As in past years, we are faced with the challenge of keeping up with gym fees. To help our costs we seek out your help to keep this very strong program running. Gym time is obviously essential to our program and we as an organization are trying to provide these girls with as much of it as we can so they can improve their skills and develop a love of the game. Last year, your place of business was thoughtful enough to offer a sponsorship, we are hoping you will be able to do so again this season,

With the increased flow of traffic on our new and improved website we're happy to offer sponsor opportunities with a goal of increasing patronage to your business. Will you please consider sponsoring Weymouth Girls Basketball for our upcoming 2019-2020 season?
