# WHY DONATE?

Each year, more than 420 kids in our community participate in Verona Little League Baseball. Our league consists of more than 30 regular season teams, 14 tournament teams, and 10 fall ball teams. Our league supports kids ranging in age from 6 to 15, and welcomes countless kids from other communities for games and tournaments.

VLL would not be successful without donations and sponsorships from local families, businesses, and organizations. Donated funds provide an exceptional experience for players through:

- Uniforms and Equipment
- Field Maintenance and Equipment
- Storage Shed and Complex Building maintenance
- Batting Cage and Practice Equipment
- Umpires

\*\*\*In addition to supporting your community and the families in it, Verona Little League is a registered 501(c)(3) non-profit organization, so all of your contributions are **TAX DEDUCTIBLE!!!**
