

Hemlock Little League 2026 Parent Information

We are so excited for you to be a part of your program. Our goal is for your child to learn the basics, show good sportsmanship, and have fun! Please reach out to the coach if you have any questions.

Parent Responsibilities:

- Attend all practices and games, or let your head coach know if your child will not be able to make it.
- Stay at the practice or game with your child for the entire duration.
- Please have your child wear their team shirt and hat to every game. Baseball pants are best, but shorts or athletic pants are okay. Make sure they wear socks and tennis shoes or cleats. Please put your child's name in their hat.
- Players need their own gloves. Many players also choose to bring their own bat and helmet. There will be a couple extra bats/helmets per team.
- Send your child with a full water bottle to each practice or game.
- Opening Day is April 25. For tee ball, this will include a team meet and greet, a short practice, and fun activities at the park, including Kona Ice.
- Pictures will be at the park under the pavilion by the barn. More details and flyers will be shared soon.
- If you are able, consider volunteering to bring a snack/drink to one of the games.
- Games will be once per week on Monday and/or Wednesday at 5:30- see schedule.
- Games will be 3 innings, each team bats 3 times. /or/ If a game hits the one hour mark it is considered done. No score is kept for tee ball.

Make sure to text or call your child's head coach with any questions or concerns
