

## FC Little League 2020 Softball All Stars Commitment Letter

FC Little League Softball intends to field all-star teams for all eligible age groups for participation in the Little League All Star tournaments. As a registered player in Softball at FC Little League, your daughter will be eligible to be considered to play in the all-star tournaments.

1. League Ages and Divisions:
  - a. 7-8 year old machine pitch Softball
  - b. 9-10 year old MINORS Softball
  - c. 11-12 year old MAJORS Softball
  - d. 13-14 JUNIORS Softball
2. Selection of All-Stars:
  - a. Players will be made based on observation during evaluations, regular season play, and all-star tryouts, if necessary. Voting and player selection will be made by the league coaches, assistant coaches, league representatives and FC Little League Softball board members for each age division as directed by the league's player agent. The selection process may be different for each age division. FC Little League takes great pride in our all-star teams and works hard to field the best available team based on various factors.
  - b. Teams will be announced on or around June 1.
3. Commitment to All-Stars:
  - a. Playing all-stars requires a dedication and commitment beyond that of the regular season. The time commitment for all-stars, including practices and tournaments, for ages 7-8 typically last from June 1- July 15. The time commitment for all stars for ages 9-14 will typically last from June 1-end of July (or even beyond if the teams advance to or beyond the state LL tourney). Thus, ONLY those players and coaches that truly desire to commit their time and availability should elect to participate.
4. Requirements for All-Stars: If you wish to be considered for all-stars, the following requirements must be met:
  - a. Eligible players must have participated in at least 60% of their regular season games in an appropriate age division as required by Little League rules.
  - b. Players must reside in the FC Little League boundary map or attend school within the boundary map. (Note - Players participating in all stars will be required to provide proof of residency.)
  - c. Players and families will be required to execute a commitment letter indicating their availability and willingness to participate as an all-star from June 1 through completion

of tournament play. Players will not be selected to the all-star teams without a commitment letter from each player and family.

- d. Each player selected to all-stars will be required to pay a fee for participation. This fee will be used to cover fees, uniforms, and equipment. (Note – FC Little League will cover this participation fee for any family unable to afford but desiring and committed to play) This fee is non-refundable in the event a player decides not to participate or quits the team. The all-star fee will be determined before June 1 but could range from \$50-\$200.
