

#### GameChanger for Parents:

1. Download the free GameChanger app in your App Store/Google Play on your cell phone or tablet
2. Make an account if you don't have one already. It is a good idea to use the same email you used to register your player in SportsConnect. If you already have one, you can skip this step.
3. Find your team in one of these three ways:
  1. Search for your players team in the search bar by name
  2. Your team may send out a link to the team that you can just click to find the team
  3. If you already have an account, your child's team may have pre-loaded into the system when it is pushed live. Look for it on the homepage.
4. Claim your player (here is [a helpful link](#) on how to do this)
5. Update your Emergency Contact information on the app
