South Tangi Youth Soccer Association (STYSA) Announces Pledge To Build Unique, Positive Soccer Culture

Hammond, Louisiana – October 10, 2018: South Tangi Youth Soccer Association (STYSA) has announced its pledge to build a unique, positive soccer culture by adopting the United Soccer Coaches “Commitment to Culture.”

“STYSA is committed to exemplifying and embracing the Commitment to Culture and its seven cornerstones in growing the culture of soccer,” said Eddie Sequeira, STYSA President. “We will serve the game that we love so much by embracing these cornerstones and demonstrating them with our players, families, coaches, referees and fans.”

Players, parents and all STYSA members are also encouraged to sign the pledge.

The United Soccer Coaches “Commitment to Culture” was developed by coaches of all levels to build a culture that celebrates what is best about soccer and helps it transcend from not only what happens on the field but also to what happens in the lives of players, coaches, administrators, referees, families and friends. As the unifying voice, advocate and partner for coaches at all levels, United Soccer Coaches launched this effort on October 10, 2018.

The Commitment to Culture adopted by STYSA reinforces the following beliefs about our game:

We Believe...

1. **Soccer unites us.** We embrace and celebrate our differences because the game makes us one.
2. **Character first.** We honor, teach and develop the core values of honesty, loyalty, responsibility, selflessness, compassion and discipline.
3. **The rule of fun.** Fun is the lens that can make every soccer player a success. Fun takes many forms and always concludes with “I want to do it again.”
4. **The game is the teacher.** We are all responsible to ensure that soccer teaches the skills of a well-lived life. Teamwork, leadership, hard work, communication and creativity are just the beginning of its lessons.
5. **Well-being.** A safe, healthy, welcoming experience in body, mind and spirit is the right of every soccer stakeholder.
6. **We are family strong.** Family in all its forms – team, club, community, relatives – is the greatest asset that soccer has. Take time to connect and appreciate.
7. **Soccer is the player’s game.** Soccer is a personal journey for every player. It is for the player to see, decide, create and win or lose. It is their game.

By demonstrating these cornerstones in all facets of the game, STYSA will be a change agent in strengthening the culture of soccer in the United States.
