

2020-21 LCSL Tryout Process

As you are all aware, LSA anticipated that Governor Edwards would place Louisiana in Phase Two this Friday, June 5th. At yesterday's briefing, he did just that. However, the Governor also indicated that Phase Two will last for 3 weeks, not 2 as we anticipated.

In announcing our tentative Tryout Schedule, LSA had hoped Phase Two would end and that tryouts could begin on Friday, June 19th. However, Phase Two will not end until June 26th and, as we all can agree, traditional tryouts cannot be conducted safely within the limitations on activities set forth in Phase Two.

Hence, player, coach, and parent safety demands that LSA extend Phase Two one week to June 26th and correspondingly to delay the Tryout Schedule a week as well. Further, by adjusting the Tryout Schedule a week, the process backs up to the July 4th weekend. Hence, we are reducing the tryout period to one week.

Updated Tryout Schedule
