Goshen Lease

Zoom Meeting Feb 8, 2022 - Dawn , Michelle, Mike, Scott, Joanne, Emily, Megan and Bob
Currently the lease for Goshen is 10,000. In contract, if issues are found fields may not be used until fixed, No timeline for fixing of the fields. Currently any issue brought up has not been resolved. Lose part of the fields to baseball and mulch at different times. Is the money we spend on lease reinvested into the fields? Want to keep a positive relationship with Middle Township. We can use Ockie which we spent and continue to spend money on and they are our fields; also continue with the county for CPE.

Motion to not renew lease with Middle Township Rec Department for use of the Goshen fields and commit to CPE and Ockie -Dawn, second Scott, AIF
