5 U8/Kanga Academy **Kanga** (Jim Farrell, Jamie Natalie Sudell Davis, Brooke Z)

Natalie presented program create a u8 academy to feed into travel. We are losing these kids and "just aren't ready for the travel" Teach them the fundamentals and then shipped off.

Caperoos worked with the older kids to teach them soccer. This we feel will bring it to the next level at least for the fall season. Nat brings playing experience. Jim and Jamie have National D. Work with them for a couple of months instead of throwing into league play.

Jim quoted us soccer 4v4 pug nets. ????? U8 should not be travel.

We are losing kids to Upper. EDP futures 6,7,8 year old 4 10 minute if at U9 then take them out to travel. Need two nights a week and it gets lost on that. Kids go up to Cherry Hill?? We can create a culture work more with the parent coaches more. JD said its a great idea and beneficial in a lot of different ways.

Mike said parents want games. JF said that they will get games with playing in tournaments. Mike did research it is the way of the future. MUSA said lmk how it works out MUSA is interested. MILL Vineland, EHT, all are willing to play us in a friendly. MIKE said I support this. Wish we had this before tryouts. PPL that signed up thinks we are going to play games so this needs parent buy in asap.

Scott Campbell how does it change the training. U8 trainer expects kids to come fully developed. No games and takes pressure off kids for playing games.

Jim part of the problem is not ready developmentally for soccer. Guided Free play.

Jamie said he would volunteer for fall and spring to be a trainer.

Maybe go into a league in the Spring 2021. Need to submit a proposal to include financials etc...
