

## **Zorts registration**

### **Follow these steps to complete your child's Zorts registration**

- ❖ Go to the Kyle Invaders website: [kyleinvaders.org](http://kyleinvaders.org)
- ❖ On the home page, scroll down until you see "Zorts Registration" and click on the link
- ❖ It will direct you to the registration page via Zorts
  - If you do not have the app already, then it will first have you download the app prior to registering your child
    - Once the app is downloaded, you may have to repeat the steps above to get back to the registration page or in the app go to: Home > My Teams/Events > Search > League > CTYFL > Central Texas Youth Football League
- ❖ Once you have gotten to the registration page, click on "Register"
  - It is important to read the top, under cost, so you can understand deadlines and that every player will need to have an active "Zorts Player Card"
  - It is important to know that it is \$0.00 to register your player but a Zorts Player Card is \$10.00
- ❖ Complete the Questions below to create your child's profile through Zorts; then click "Pay" at the bottom of the screen
  - You can click "add" to create a second profile for another child you may have registered this season
- ❖ Now, your child will have an "ineligible profile" within Zorts and it is important to complete by the deadline
- ❖ Click on "Home" at the bottom of the screen > Then click on the CTYFL page > You will be directed to the Kyle Invaders Home Page via Zorts
  - You may see a pop-up stating "Missing Items": click fix now

➤ You will be directed to your child's profile to complete

- First, complete the "Player Card" by clicking on the tab > adding your child's info  
> upload birth certificate > upload photo of child > pay the \$10.00 fee required  
for the player card

**- Important: your child's photo can only be a head shot wearing nothing on their heads (No hats, sunglasses, etc.) or it will be denied**

- Second, complete "Player Details" by adding in your child's info such as full  
name, address, and Jersey Size
- Third, complete the "Document" by uploading your child's physical

**- Important: The physical page is a two-page document: try to take one photo with both pages in the photo. If you do not know where to find the physical form, go to Kyle Invaders website > click on the 3 lines top left corner > Registration Info > scroll down to forms > you can download and print the form**

- Fourth, complete "Waivers": this is a spectator agreement form basically stating  
you will be on your best behavior during practices and games
- Finally, click save at the very top right corner of the screen

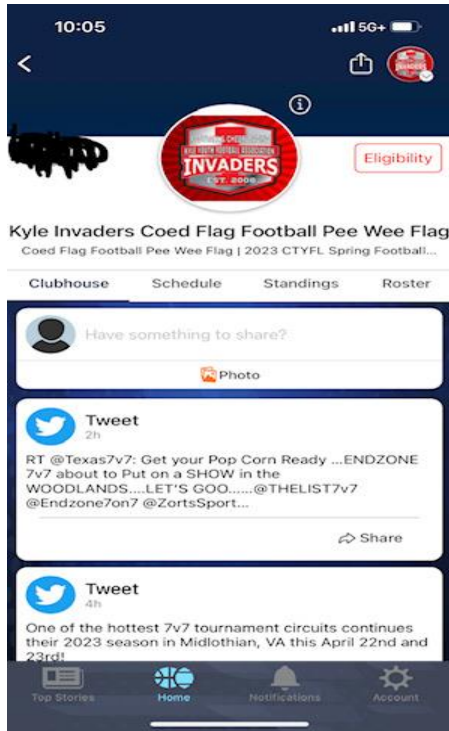

❖ Once you have done everything, purchased the "Player Card", completed player details, and uploaded all required documents, your child's profile will still say ineligible until Zorts has reviewed all documents and purchases. If anything needs to be corrected, you will be informed by Zorts.

➤ This can take a few days, so it is very important that you get it started ASAP before the deadline; otherwise, your child is at risk for not playing this season

❖ Zorts is important to register for as the whole CTYFL organization use this platform to ensure all eligibility of all players in all divisions

- As coaches, we use this platform to certify other teams' players prior to starting the game to ensure the only players on the field are the ones on the active roster
