## NYSA BOD Meeting Agenda

July 16th 2025

### I. Call to Order - 6:02pm

II. Attendance: Jason Byars, Mike Kennedy, Alan CHristopher, Chrissy Flanigan, Katianna Tyler , Chandin Whitten , Robbie Irvin, Jessica Grimm, Lael Foshee .

### III. Old Business – Motion Alan, 1st Chrissy, 2nd Robbie - All approve

a. NHS Volleyball Team FUA July 14-16 1000-1300 Rental fee \$450

1. No longer needed

b. NHS Field Use agreement. The Athletic Director came back and asked us to reduce the cost to \$4000. 1. Baseball will not be using our fields and they are allowing NYSA Cheer to use their facilities for free for their camp.

We will rebuttal with \$4250, but we will accept \$4000. And Rec Soccer wants soccer to set a date for NHS Soccer to move back to NHS Field

### IV. New Business

a. County Maintenance tickets

1. Softball Irrigation pump in-op (part on order) Fixed 7/16/25

2. Pipe burst on NYSA Soccer (Fixed by Alan)

3. Request to clear drainage Request put in

4. Gymnasium HVAC. 1 of the air handlers is in-op

5. Broken gutter down spout at gymnasium

6. 3 out 4 backboards are broken at the courts across the street

1. Football is getting quotes to add onto the existing pressbox for storage or a locker room. \$40k

2. Soccer has gotten a quote for ADA Compliance, adding sidewalks throughout the park.

3. Football is looking to get quotes to be ADA compliant and widen all sidewalks

4. Window at the pressbox. An option is to cut 3 layers of brick down to open the viewing area and add one piece of viewing glass. \$9K

5. Gates for all the fields were quoted. To add an additional gate for easier access.

b. Lacrosse Commissioner

1. Mark Liston

Motion to vote by Alan. Board discussed and agreed to open the position until Sep 1, 2025 . The board felt it wasn't advertised long enough for a spring position.

c. All-Pro

1. Football and baseball fields are caught up in treatment applications as softball and t-ball

2. The football field will deep core aeration and then be fertilized next week. No downtime required

3. Baseball fields will be fertilized and then turf sliced. No downtime required

4. Football Field scheduled to have a treatment of Iron before their opening day and throughout the season (Iron turns the grass a deep green color)

5. Soccer Fields are getting top soil Aug 1<sup>st</sup> and plan to reopen the park by August 17<sup>th</sup>.

An order for paint will need to be put in for the field robot.

### **OBJECTIVE**

I am submitting my resume for consideration to fill the Navarre Youth Sports Association (NYSA) Lacrosse Commissioner Position. I hope to pick up the torch from our former commissioner and keep moving in the same direction to grow and maintain the current program. My focus will be on providing a fun, focused, and inclusive environment for any boy or girl that is interested in playing the sport of lacrosse. I feel that the lacrosse program at the NYSA has grown into a respectable program thanks to the previous commissioners and look forward to growing with the needs and demands of our youth athletes to prepare them to hopefully play at the next level.

## MY COACHING BACKGROUND

I have been part of a coaching family growing up in Massachusetts. I started coaching youth basketball when I was still playing in high school. I have always enjoyed competing and watching people compete is still a passion of mine to this day! My goals as a youth coach are the same in every sport that I have coached. Keep it fun, teach fundamentals! I want the kids to fall in love with the sport and want them to want to come back and play another season.

- 12U NYSA Boys Lacrosse 2022-Present
- USA Lacrosse Level 1 Certified Coach
- NYSA Basketball 2021-Present
- YMCA Basketball Coach 2023
- Youth Flag Football Coach, Bossier City, Louisiana, 2019
- Little League T-Ball Coach, Bossier City, Louisiana, 2018
- Led/Coached Multiple Military Squadron Teams, USAF, 2000-2021 •
- AAU Basketball Coach, Brockton Massachusetts 1998-2000
- Youth Basketball Coach, Stoughton, Massachusetts 1996-2000

Thank you for taking my application into consideration. I look forward to hearing from the board with any questions or concerns they might have for me. Thank you in advance!

Very Respectfully,

Mark Liston

Navarre Youth Sports Association  
Navarre, FL 32566

Dear Board of Directors,

During my tenure as commissioner and member of the Navarre Youth Sports Association, I have greatly respected the dedication of every Board member I've worked with. I've sought their guidance, mediated disagreements, and witnessed the inevitable differences of opinion that arise. These moments of respectful debate, where members have agreed to disagree, reflect the passion each brings to the organization—a passion that drives growth and compromise, even when it sparks conflict. I understand my points of view and opinions have been counter to other members'; however, I have consistently offered my conscience and heart on every issue. My endorsement for the next Lacrosse Commissioner is no different.

I am writing to endorse Mr. Mark Liston for the role of Lacrosse Commissioner. Despite his past

disagreements with some Board members and a recent suspension, my experience with Mr. Liston as an assistant coach has shown him to be deeply committed, capable, and passionate about the role. Throughout his suspension, he adhered strictly to its terms, never accepting access to restricted facilities or rooms without my presence, nor compromising my integrity or NYSA policies. His unwavering dedication to lacrosse and the development of our young athletes makes him an excellent candidate for commissioner.

If Mr. Liston is appointed, I pledge to serve as his co-commissioner to ensure a seamless transition and foster a collaborative environment for the program's success.

Thank you for considering my perspective. I am confident that Mr. Liston will serve the association with integrity and enthusiasm.

Sincerely,

//Signed/cbm/15Jul2025//

Chris McCall, Commissioner

# Sabal Palm B&B

## \$405

Natchez Crape Myrtle 30 Gallon \$225.00

A large shrub or small tree with smooth, dark, cinnamon brown, exfoliating bark. Glossy dark green leaves turn vibrant orange-red in fall. Panicles of pure white, soft-textured flowers bloom all summer. Makes an excellent specimen, accent or group planting. Deciduous.

LIGHT: Full sun

WATER: Water deeply when soil is dry.

SIZE: Moderate growing; reaches 20 ft. tall and wide.

**Bald Cypress 30 Gallon \$225.00**

**Bald Cypress 45 Gallon \$350.00**

This tree can grow up 50 to 70 feet tall and as wide as 25 feet when matured. The Bald Cypress Tree differs from many other coniferous trees as it is deciduous, meaning that it drops its needles right before winter.

These are very long-lived trees, many of them living up to 600 years with some specimens living up to 1,000 years!

Live Oak 30 Gallon \$245.00

Live Oak 45 Gallon \$350.00

Live Oak 65 Gallon \$625.00

Live Oak 100 Gallon  
\$875.00

**MATURE WIDTH:**

60-80 ft

**MATURE HEIGHT:**

60-80 ft

Nuttall Red Oak 30 Gallon \$225.00

Nuttall Red Oak 45 Gallon \$325.00

They grow to 60 feet (18 m.) tall and 45 feet (14 m.) wide. As native trees, they require minimal Nuttall oak tree care. Vigorous and strong, Nuttall oaks grow in a pyramidal form.

**Southern Magnolia 30 Gallon \$225.00**

**Southern Magnolia 45 Gallon \$325.00**

**Southern Magnolia 65 Gallon \$525.00**

**Southern Magnolia 100 Gallon \$725.00**

Southern Magnolia Varieties include Teddy Bear, Bracken's Brown Beauty, DD Blanchard, Claudia Wannamaker, and Little Gem.

# Teddy Bear

A compact southern magnolia features an upright form with shiny, deep green leaves that have heavy, velvety, reddish-brown undersides, and classic, large 6- to 8-inch wide, fragrant, white flowers. A superb specimen tree for smaller landscapes, or use as an accent in larger landscapes. Evergreen.

LIG HT		
WATE R		
SI Z E		

: Full sun

: Once established, water deeply when dry.

: Moderate growing; reaches 16 to 20 ft. tall, 10 to 12 ft. wide.

# Bracken's Brown Beauty

Lustrous, leathery foliage is rich, dark green above and cinnamon brown underneath. Large, 5 to 6 inch creamy white flowers are exotically fragrant. A hardier magnolia that transplants well and does not lose as many leaves as other varieties, and exhibits better cold tolerance than others. Evergreen.

SI ZE	

: Full sun

: Once established, water deeply when dry.

: Moderate growing; reaches 30 to 50 ft. tall, 15 to 30 ft. wide.

## DD Blanchard

The blooms can be as large as 8 inches across, with a lemony perfume said to be nature's strongest sweet scent. This magnolia can grow to 40 feet. It does best in a full to part sun location. This is a slow grower that has an upright growth habit - an oval form rather than a wide-spreading canopy - so you can safely plant things around the tree that prefer sun. This magnolia can grow to 40 feet.

## Claudia Wannamaker

The southern magnolia is without equal among evergreen flowering trees, and the Claudia Wannamaker form is top of the list for a full-sized tree, that will begin to bloom at an early age. This vigorous tree will grow rapidly, at around 3 feet a year when young, so it will soon become a good-sized specimen, or create an excellent screen for privacy. With its beautiful glossy leaves and enormous, 12 inches across pure-white perfumed flowers, this symbol of the south is a perfect choice for anyone with a larger garden living in zones 7 to 9. All summer long it will be covered with those beautiful blooms, and even out of flower it has a grand beauty, and makes a real statement in any garden.

**MATURE WIDTH:**

25-30 ft

**MATURE HEIGHT:**

50-60 ft

# Little Gem

A dwarf southern magnolia with smaller dark green foliage and a very compact narrow form. The large, glossy, evergreen leaves have rusty-brown undersides. Very attractive, large, white, fragrant blooms. A naturally small tree or large shrub perfect for small gardens. Truly captivating when trained as espalier against a wall or fence.
