## Greetings from Broadview Youth Baseball:

The season for America's Greatest Past-time (Baseball) is upon us again. Now is the time our children need and seek support from our business community by way of donations and sponsorships. For without your support and donations there would be no Baseball in Broadview. Broadview Youth Baseball, Inc. is a 501(C)(3) Non-Profit organization and is dependent upon sponsorships, donations, fundraisers, volunteers, the community, and outside support to help our children have a fun-filled and safe program each year. We are not affiliated with or ran by the Broadview Park District. They do assist us and allow us use of the fields, but we do not receive any financial support or stipends from them or any other taxing body in Broadview. BYB is also the largest youth sports organization in Broadview and is a 25 year old Charter Member of LLBINC. If you have given a donation or sponsorship in the past, we whole-heartily thank you and appreciate your past support and look forward to your continued support and generosity this year.

If you have not participated in the past, let me assure you that without your support, Little League Baseball® for our children cannot survive. Through your donation and/or sponsorship, we are able to secure insurance to cover all participants involved in our program during the entire season, purchase new equipment to replace worn-out and unsafe equipment, new uniforms (hats-shirts-pants-belts-socks), baseball supplies (helmets-bats-balls-bases-etc.) and pay numerous fees (umpires, insurance, park, Little League, district fees etc.) and other expenses and cost associated with operating a Little League Organization. So, as you can see, your support is vital to our continued success.

One of the sponsorship donations is only **\$500.00**. With this sponsorship your business will receive a plaque bearing your company's name with a picture of that team your business supported, your company's name will be displayed on our league banner, as well as your own separate company banner, you will also be listed on our website with a link to your website. There are other sponsorship levels available. Please see accompanying page.

We sincerely hope that you or your company will sign on as a sponsor for our upcoming season. If sponsorship is not possible at this time, we accept and appreciate any and all donations. Every little bit helps and we truly appreciate any size donation.

In advance we say to you, **THANK YOU** for your support and for helping make this season a success.
