Game Day Fields & Protocols

Coaches, Managers, Parents, Opponents, and Fans,

We feel incredibly lucky to be able to kick off this season of Travel soccer, despite the many restrictions and closures brought on by the pandemic. With that in mind, we need to protect our soccer community and are putting forth new protocols and guidelines for game days at our fields. These should be shared with our GFR Travel families as well as with our opponents who will come to play games on our fields.

Everyone's cooperation is *vital* to the success of the season. For the benefit of our children, let's kick it off in the safest way possible! We wish your team all the best this season.
