Ben Davis Little League is a community-based organization that brings the diamond sports of baseball and softball to families in our community. A chartered member of Little League International, the league operates as a 501c(3) non-profit, operated by volunteers from the community we live in. The league offers opportunities for children to learn our great pastime and provides enhanced playing opportunities for more advanced players.

While a nominal fee for participation is charged to families of players, the league relies on donations to operate the program and keep up with facility needs including field maintenance and uniforms. These funds are raised from local community donations and through corporate sponsorships. Sponsors receive recognition for their donation, dependent on the level of commitment, and receive a record of their donation for tax purposes. This year sponsors are needed more than ever. Families usually has access to two different grants to help offset the cost of registration. Unfortunately, these grants have already been depleted for the year.
