***Families applying for scholarships acknowledge that the league is run solely by volunteers and there is an expectation that parents of scholarship recipients will give back to Ben Davis Little League in any way they can, whether by providing assistance to their child's team, volunteering at the concession stand, or helping in field cleanup.

By signing below, parents/guardians certify that none of the above listed children are or will be playing baseball or softball through another organization during the current Spring season the scholarship is being requested/granted. Our scholarships are solely for families whose financial hardships prevent the above listed children from playing baseball or softball through any organization during the current season. Repayment of the scholarship will be requested if a BDLL player is determined to be playing within two separate organizations in the same season.

IMPORTANT***   If a player on scholarship quits the team he/she is assigned to, no players from the player's immediate family will qualify for any scholarships the following year.

REASON FINANCIAL HARDSHIP IS REQUESTED:
