The Ben Davis Little League is passionately dedicated to providing children ages 3 to 12 years old the opportunity to learn the games of baseball and softball while cultivating valuable life skills. BDLL registers an average of 300-plus players per year. We are opening registration to age 3 starting the 2026 season. As we expand our outreach and engagement, we are reaching out to local leaders and businesses like you to become key sponsors of the league.

Why Is Sponsorship Important?

Your partnership will provide young players with a safe and engaging environment. With your support, we can achieve the following:

- **Support Our Teams:** From uniforms to training equipment, your sponsorship directly impacts the quality of our program.
- **Create Lasting Memories:** Help organize events, tournaments, and community activities that unite families and friends to celebrate youth sports.
- **Empower Our Future Leaders:** We believe that baseball and softball teach children discipline, teamwork, and perseverance—skills that carry over into all areas of life.

Sponsorship Opportunities:

We have several exciting sponsorship options, attached below, to maximize community visibility and align with your business goals and budget.

On behalf of BDLL, I look forward to partnering with you and supporting your investment in the future of Ben Davis Little League athletes.

WE ARE GIANTS

Sincerely,

Misty Lee
