

SOMERS POINT SHARKS YOUTH FOOTBALL & CHEER ORGANIZATION

Dear Local Business Owner,

In preparation for our upcoming 2023 Football & Cheerleading Season, The Somers Point Sharks would like to invite you to be a Sponsor for our Organization. The funds raised from both local businesses and organizations will help cover costs for equipment, referees, league fees, field maintenance, insurance and various other costs associated with a quality youth program. Your generous donations provide an opportunity for local children to learn about these sports and the values and responsibilities of working together as a team.

Somers Point has an incredible group of volunteers with a deep sense of community that keeps our program strong and competitive. We need to find creative ways to fundraise such as the sponsorship options below in order to keep registration fee costs down and make participation accessible to more Somers Point children.

▲ **NAVY SPONSORSHIP: \$150 Donation Home Game Sponsorship**

- Your business name and information will be announced during all Home games recognizing your contribution to the Sharks.
- Website link on sharks website

▲ **GOLD SPONSORSHIP: \$250 Donation Banner Sponsorship**

- Business name/logo will be displayed on a banner recognizing your contribution to the Sharks during all home games.
- Your business name and information will be announced during all Home games recognizing your contribution to the Sharks.
- Website link on sharks website and social media (Facebook/Instagram)

We also offer a 4ft x 8ft Sponsorship sign option at the Lawrence "Bud" Kern Field that is up year round. If this interests you we would be happy to provide that information and form as well!

Please know that your contribution will positively impact all the children of the Somers Point Sharks Football & Cheer Organization and is greatly appreciated!!!

Sincerely,

Frank Ursino II, President Somers Point Sharks
