Penalties

Offense

- i. False Start/Illegal Procedure= 5 yard penalty. If penalty occurs when ball is spotted on 40 yard line, penalty results in loss of down.
- ii. Delay of Game= Loss of Down. 1) Each team will have 25 seconds to snap the ball once it has been marked ready for play; delay of game penalty will be assessed.
- iii. Pass Interference=15 yard penalty and down replayed. If assessment of penalty would result in offense moving behind 40 yard line then penalty will be assessed half the distance to the 40 yard line and loss of down.
- iv. No penalty may be assessed in excess of the 40 yard line. If a penalty would move the offense beyond the 40 yard line, the offense will be moved half the distance to the 40 and charged with a loss of down.
- v. If the timekeeper sees that the clock has exceeded 4.0 seconds, the play is blown dead. The ball should be returned to the original line of scrimmage with loss of down. If the QB proceeds to throw the ball after the play has been blown dead, a penalty for offensive delay of game will be assessed.
- vi. Offensive team is responsible for retrieving and returning the ball to the previous spot or the new scrimmage spot. Clock does not stop and any delay by offense in retrieving and returning ball to referee will result in a delay of game and will be a 5- yard penalty from the succeeding spot.
- vii. If defensive holding occurs on the same play as a sack, the defense will be penalized and the sack is void.
- viii. Any dead ball penalty on the offense after a change of possession would result in a 15 yard penalty for that team's defense when they begin their ensuing possession. (ex. Penalty occurs on point after try.)
- ix. Dead Ball Unsportsmanlike Penalty on Offense will result in 15 yard penalty. (Players that receive more than 2 unsportsmanlike penalties will be ejected from the tournament.)

Defense

- i. Offsides=5 yard penalty
- ii. Defensive Holding=5 yard penalty
- iii. Defensive Pass Interference=15 yard penalty and down is replayed. If the 15 yards results in a first down then it is a first down. If the pass interference occurs on a play where the ball is spotted inside the 15 yard line, then the penalty will be assessed half the distance to the goal line and replay the down.
- iv. Any dead ball penalty on the defense after a change of possession would result in a loss of down for that team's offense when they begin their ensuing possession. (ex. Penalty occurs on point after try.)
- v. Dead Ball Unsportsmanlike Penalty on Defense will result in 15 yard penalty. (Players that receive more than 2 unsportsmanlike penalties will be ejected from the tournament.)
- vi. Excessive contact by defense at the end of a play ie. Unnecessary tackling or taking or shoving a player to the ground can result in a 15 yard unsportsmanlike unnecessary roughness penalty.

vii. If a defensive penalty during the course of the play occurs on a play in which the result of the play is a touchdown by the offense, the only option by the offensive team is to accept the result of the play and decline the penalty. There will be no yardage or penalty tacked on to an extra point try or a subsequent possession. If a “dead ball” or “unsportsmanlike penalty is assessed to either team on a play in which the offense scored, the penalty will be assessed on the point after try or on the subsequent possession if the penalty occurred on the point after try.

Turnovers/Deadballs

- (a) Receiver/Ball carrier is legally down when touched below the neck with one or both hands. (Excessive force by shoving, pushing, or striking a blow will be penalized by automatic first down and 15 yards. Player will be expelled if ruled unsportsmanlike & flagrant.)
- (b) Fumbles that hit the ground are dead balls at the spot with the last team retaining possession. A muffed snap is not a fumble/dead ball. The 4.0 second count remains in effect on snaps.
- (c) The QB is allowed 4.0 seconds to throw the ball. Time starts on the snap of the ball and stops as soon as the QB releases the ball. If release is under 4.0 seconds, the play continues. Play is blown dead after 4.0 seconds.
- (d) Interceptions may not be returned.
- (e) The offense must gain at least 15 yards in the first 3 or less plays or the defense takes over. No 4th downs. (3) downs in all zones.

Appeals

- (a) If during game play a coach or player disagrees with an official’s call, they may not dispute that call with that official at that time.
- (b) For consideration, the coach must report all game play ruling discrepancies to the Field Manager no more than 20 minutes after the game has ended. Any reversal or game-changing decisions will be made at the Tournament Manager’s discretion.

Additional Game Format Rules

- (a) Ball always placed on the right hash mark when at the 40 yard line.
