#### **COVID-19 Release**

\_\_\_\_\_ The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing, and have, in many locations, prohibited the congregation of groups of people. The Program has put in place preventive measures to reduce the spread of COVID-19; however, we cannot guarantee that Participants will not become infected with COVID-19. Further, attending the Program could increase Participant risk of contracting COVID-19.
